STATEMENT FOR INTERNATIONAL ORGANIZATIONS, MEDIAS AND THE ALL OF THE GOVERNMENTS OF REPRESENTATIVES OF UN

The chairman of Committee of Nationwide Reconciliation, Mr. Gjin Marku was informed on 12.05.2012 that the Prosecution, after it had surveyed the police allegation about some certificates issued by CNR and a video of "Fiks Fare" emission of Top Channel, that it decided to reject the penal proceedings because all the certificates issued for blood feud were found to be genuine. He was also cleared concerning the payment by relatives of the families in blood feud showing that the payments were made solely for travel expenses to verify the cases both within and outside Albania, and for translations, reports, etc. He was informed that the police allegation was false and the video of "Fiks Fare" was manipulated and that all that which appeared on internet against the Committee and Mr. Marku's actions as Chair of CNR, were fraudulent.
